I am a dying man and I have in fact been murdered by you. I feel bad about calling you a sad excuse. You are something better than this for someone, I am sure. Most likely for many people. Your cruelty has crushed this kindhearted man. Why do you do this senselessness? I only lived to see 41 years. I worked myself to death for decades, so that I could be murdered by you. I am heartbroken, angry, and afraid.

Warmest Regards,

Clint Williams
