Please have mercy on me

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>, "civil.feedback@usdoj.gov"

You are having mercy on all the others involved. If I get angry or self absorbed or send too many emails, apply that same mercy to me. I still cannot believe that I didn't get anything for the brain scan. That was so hard on me to get and I nearly got in a car wreck and died trying to get it. If I made someone mad, I should be given mercy.
