**Re: Need to know what to do**

**To:** "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>, civil.feedback@usdoj.gov

I can think of something to say other than WFB kidnapped me and the doj covered it up. I need this nightmare to be over. If I say that, it may trigger more criminal abuse. I need you to help me. I at least need to understand what I need to do to stop the criminal abuse.
