**I have no idea part 2**

I am reflecting on this, and I can't think as good as I used to be able to. I am still a good think tank. What is at stake here is my life. I need you to be a friend. It is wrong what you have been doing, and you know it. Please let's stop this senselessness. I live in torment and I am too handicapped to make it. That is why I need your help. I am sad over my life.
