I ask for your help

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>, civil.feedback@usdoj.gov

I woke up to horrific suffering. My suffering will never go completely away, but if I had my medication and money to live my own life, it would be much much less. I need out of this hell that I am living. Wells Fargo did this to me. Make them make it right. I am going to die if you don't help me. You are extremely hard to deal with, by the way. I have begged you to help me for a year. The criminals who did this to me don't have to beg you for help, I would wager. I probably come across as hard to deal with too. I am suffering so extremely. Please just make it right. I am going to die.--

Warmest Regards,

Clint Williams
