Re: I beg you

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>, civil.feedback@usdoj.gov

What had certainly happened is you have been prejudiced against me by my healthcare records. Those records mean nothing. Those are the private healthcare records of someone who has had a hard life.

What is happening is a kindhearted man is being murdered. I ask you to please see me as the good man that I am. I ask that you please see my kindheartedness and my honesty. I have worked so hard on myself.

Warmest Regards,

Clint Williams
