**Please think of me**

**To:** "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>, "civil.feedback@usdoj.gov"

I have suffered all day today. I would like the thing with AU girl back. I'm going to die and I will never have known what it is like to be in love. I'm sorry for the stress and other things that I cause for you. I am just trying to save my life. My suffering is unbearable.
