**I cannot live like this**

**To:** "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>, "civil.feedback@usdoj.gov"

It has been nonstop hell all day today. I will not make it without your help. I am a kindhearted man. If Wells Fargo sees this, we can be friends again. I am sorry for the mess that has been created. Please I want to make it right with you, for whatever I have done. If you would also make it right with me, it would mean the world to me.
