Re: I am suffering horrifically

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>, civil.feedback@usdoj.gov

I will never have a life unless you give me a life. You giving me a life is the right thing to do. This bank has stolen my life and my ability to make a life for myself. It looks more and more like you are going to let me die. Why are you this way? Why can't you have some kindness and humanity towards me?

Warmest Regards,

Clint Williams
