Re: audio about my suffering and helping me

I'm going to die if you don't help me. I am a 1 in 10,000 case of PTSD, in terms of severity. I would bet high on that. And please, no more criminal abuse. You will kill me for sure. The day will come when I have died in terrible pain. How will you feel then? Why don't you stop that day from coming? I need a settlement and I need my medication back.

Warmest Regards,

Clint Williams
