I am in horrific pain

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>, "civil.feedback@usdoj.gov"

I cannot tolerate this. My brain is broken and I have an extreme overreaction to stress. My living situation is as stressful as it can possibly get and I cannot take this. It is your role to make this right. You did this to me. I need a settlement very badly, so that my suffering can be lessened.
