Letter for 4/19/2022

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>, civil.feedback@usdoj.gov

I don't understand why you are so cruel to me. I am suffering so horrifically. I, however, would like to apologize to you for my demeaning and abusive behavior. I am sorry that I have been so disrespectful in my communications.

If you ever consider helping me again, it would mean the world to me. I cannot take this nonstop torment and financial stress.

Warmest Regards,

Clint Williams
