I would like for you to set up what you had planned with AU girl. I think that I will probably be able to work again, but I am still very severely damaged. I can feel my injury. My work also gets interrupted by shell shock. When I have those bouts I have to get up.

My soul is still shattered from this nonstop barrage of cruelty and of being treated as a man with no dignity. I am sorry for the unkind things that I say. I just get very angry over how I have been treated.
