My aunt also needs her \$250 back for your brain scan. I would like some compensation for the hell that I went through to get that FOR YOU and YOUR PURPOSES. \$250 is a lot of money to my aunt and I nearly died getting that brain scan. I cannot tell you the hell and the stress that the brain scan caused me. The next thing will be my disability appeal getting denied and me dying.

---

Warmest Regards,

Clint Williams
