You have killed me

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>, civil.feedback@usdoj.gov

I am in terrible condition and it is ongoing. I am so extremely weak. I don't know what to do to save my life. You have murdered me with your criminal abuse. I won't make it much longer. I'm going to try. Maybe I get my energy back. This seems like one that I will not recover from. --

Warmest Regards,

Clint Williams
