Today has been a better day. I am tormented very badly but I've got some enjoyment out of it too. I want to tell you that I have no intent to harm myself or others. I tell you this because you are a sickening and despicable criminals who look for excuses to criminally abuse the mental health system. You do this for the benefit of your pet Wall Street bank and you have poor people pay for it. Look at your behavior. Tell me how this is anything else than sickening and vile.

Warmest Regards,

Clint Williams
