I hate it that I have to ask for \$10 billion. It is a huge amount and would put Wells Fargo in the red for probably 2 or 3 quarters. It would sound excessive. We'd have politicians raising hell, etc. but if I am to live, I need something that makes life living and offsets this suffering. Even at that much, it would be very hard to resist the temptation of euthanasia tourism. I hurt so badly.

Warmest Regards,

Clint Williams
