Re: Here we go again

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>, civil.feedback@usdoj.gov

I am extremely ill. These hellish symptoms have been very bad for many days. They seem to consistently get worse. I can't do anything. I'm likely to have yet another day of zero productivity. My sleep keeps getting jacked too, because I sleep for 15 hours at a time. That's me getting weaker. That's what's causing that, most likely.

Warmest Regards,

Clint Williams
