It's a complete waste of time trying to deal with you thugs. I thought we were making progress towards something what would for everyone, and I thought that you had seen the error of your ways. But nope, it's going on 3 years and we haven't moved a millimeter. The people at Wells Fargo are still deities and the justice department is still a bunch of depraved conmen and murderers. Your cruelty knows no end.

---

Warmest Regards,

Clint Williams
