Part of what you have lost was that I thought very well of the justice department. I thought this out of naïveté and for absolutely no justifiable reason, but that's how I thought of you. I wanted to help you and I thought you were helping me. I wanted to help you before I thought you were helping me too. I would have been willing to make some big sacrifices for your sake. I knew that this would be a hardship for you.

Now, I'm just being coerced by criminal victimization from a bunch of depraved clowns who obviously don't give a shit about me.

Warmest Regards,

Clint Williams
