If it's any consolation to you, my letter will likely be the last thing that I have to say to you. I don't like the way I talk to you so much, because you are evil and don't care about me. I suffer from a deficit in self-control and the United States of America and Wells Fargo have taken over my life. I have no one to talk to except a bunch of cruel thugs, who mine my suffering and my pleas for help for things that they can use in criminal abuse of me. Then you say demeaning things to me. You are the most despicable people. The kid gloves are going to come off, at some point, in this letter. You have caused yet more permanent harm to me. I am debating on whether to soften the blow and be nice about things. You don't deserve it.

Warmest Regards,

Clint Williams
