I do not commit crimes against disabled people.  
I do not defraud the social security administration  
I do not take a disabled man's medication away.  
I do not abuse people who tell me they are dying in my sleep.  
I do not have contempt to the powerless, the poor, and the mentally ill.  
I do not lie about people behind their backs and then be too big of a pussy to say it to their faces.  
I do not go character assassinate kindhearted men by deliberately lying and saying they are a  
"psychopath" behind their backs.  
I do not abuse facilities intended for the most vulnerable members of society to coverup the crimes of  
indecent Wall Street thugs, and then let money intended for poor people be used to pay it.  
I do not invade people's privacy and then discriminate against them and treat them cruelly over things  
they cannot help.  
I do not have people repeatedly kidnapped.  
I do not commit fraud.  
I do not induce others to commit fraud.  
I do not lie to millions of people by completely misrepresenting who I am, as if I reside in a fantasy land  
that is designed to flatter me.  
I do not steal from Medicaid to pay for the crimes of a \$1.7 trillion bank.  
I am not above the law.  
I do not have the ability to grant to others a condition of impunity, merely by involving them in my crimes.  
I do not have the right to kill.  
I do not have the right to rape.  
I do not have the right to commit crimes against children.  
I do not have the right to commit arson.  
I do not have the right to rob people.  
I do not have the right to vandalize buildings.  
I do not have the right to assassinate the pope.  
I am not the world's only superpower.  
The world's only superpower isn't my whore.

This is part 1 of a checklist. Why don't the demon possessed clowns at the Justice Department do this  
checklist for themselves and for Wells Fargo and get back with me about who is the "dangerous" party  
or parties among us.

Please try to provide an answer that is truthful and that could be believed by someone who isn't from the  
sadistic twilight zone from hell that spawned Pennywise the Clown and the United States Department of  
Justice.

Send my little woman your answers and a detailed analysis, and do it without lying this time.

Warmest Regards,

Clint Williams
