Re: Email for August 12, 2023

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>, civil.feedback@usdoj.gov

I look at the destruction that has been poured all over my life, and I see, at the same time, the natural way that things decay, as time goes on, and it just rips my heart out. Things were so good, when I moved to Charlotte, and for many years onward. I was on top of the world, in 2017. I hate you for what you've done to me.

Warmest Regards,

Clint Williams
