Re: Email for August 21, 2023

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>, civil.feedback@usdoj.gov

I'm having trouble working at my computer, because of worrying about a snake. I have this vivid imagining of one crawling out of the door again. I will get over it but it sucks. We've had 3 or 4 baby snakes in here today (technically yesterday). I'm very worried that one of the big ones has laid eggs.

Warmest Regards,

Clint Williams
