To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>, civil.feedback@usdoj.gov

You have destroyed a human being and you still just think about yourselves. Or maybe you do not. What is fair to give someone, to make him as close to whole as you can, when he spends so much of every day aching for his own death? I want to die very intensely right now, and this feeling is so extremely familiar.

Warmest Regards,

Clint Williams
