I have a stake too, in this not being publicly known. But you piss me off and I get mad as hell. I'll Kamikaze my well-being for the sake of knocking the hell out of you; that's the mentality that I get in. Its not all a downside for me, if I get this in the news. its all a downside for you; that's the way it seems to me. i often think of you, for your sake alone. thats part of why i try to settle.

god damn it. i just got another TikTok follow request. what are you motherfuckers doing.
