Part of the problem is that you are not honest with me. Dishonesty has been the theme of everything that you do for a long time. As of recent, I think your dishonesty is partially driven by a perception where you don't think that I'm being honest with you. There is the tiniest amount of truth to that, but not in any sort of malicious way.

Please stop saying unkind things about me to others. Please stop trying to invade my privacy. In any and all circumstances, I am quite likely to die as a result of what has been done to me, but this can be over for you.

Warmest Regards,

Clint Williams
