It will be a fun thing, to get the investigation going for my friend on twitter. I am almost guaranteed to succeed. She's told me about her attack and the concerns the police had. It gave me insight into how the system in the UK works. Every concern they bring up, I will be able to orchestrate a process that blows it out of the water. This guy doesn't know what hell is about to engulf his existence. Life seems safe for him. It is gentle to him, even after he did what he did. Those days are no more.

Warmest Regards,

Clint Williams
