Part of the point of this is that I'm going to have to buy almost all of my books again. I paid a woman in India to make a list of all of the books I'd ever bought and how much I paid for them. That was back in 2020 when I was doing my bankruptcy. It has the book and the link and the price for each book. It will be easy to order them all again. I gave her my Amazon password and she went into my account and went over my order history, copying and pasting all of the items.

I will have to do the same for the rest of my stuff, but because I've been poor and not able to read, I haven't bought nearly as many as usual. It won't be hard, but I'll probably pay someone to do it anyways.

Warmest Regards,

Clint Williams
