I will get over this, hopefully. I really badly want to have this project done and to turn it in by the next appointment. I have next to no time left to do it and it's already taken me months.

Part of what's got me in a crunch is that I don't get paid until the 14th next month. I get paid on the second Wednesday of every month. My meal shakes are \$161 per 4 boxes, and I get 10 or 12 boxes a month. Sometimes I get more. They are usually charged around the 11th. so I'm having to pay for 2 deliveries out of last months check.

I don't know what to do. I need to get my project done, and I need to get my neurologist stuff set up for social security, and I need to do something about this situation.

Warmest Regards,

Clint Williams
