I will send you an audio about my rationale soon. It will work. I will have to see what ChatGPT says. I need you to call me and work this out. We need to work together. We can have it documented however you need it. This has been a full on scam from day 1. We can keep the scam going, except we won't need any scammy elements for this last thing, not really. We just have to work together and get this to go through. We can be done with it.

Warmest Regards,

Clint Williams
