Re: audio about my rationale

To: "Division, Criminal (CRM)" <Criminal.Division@usdoj.gov>, civil.feedback@usdoj.gov

I might try to get a lawyer soon, to get this over with. If I can get a neurologist to up my medication one more level, I will be able to do a lot more. I don't know what my priorities are. I need to get my project done for my therapist. I need to pay for my neurological treatment too.

Warmest Regards,

Clint Williams
