I need you to join me in reality. What's taking place in reality is that you have watched a frame by frame, super slow mo, murder and death of a disabled man. I have been suffering right in front of you, horrifically, and all you can think about is protecting the bank from consequences for its own actions and gratifying the egos of the people at the bank. You have made a lot of terrible mistakes, but there is still a chance to not be a murderer.

I have a deficit. I don't know how to talk differently to people who sit there and cruelly watch me suffer. There is nothing that is rocket science here. Stop terrorizing a disabled person and get a bank with \$1,900,000,000,000 to write a check.

Warmest Regards,

Clint Williams
