Ya know Bru, one of the last places that makes those suckers is a couple miles from me in Rockledge, Fl. When your down this year you should come pick up a couple from the factory and build your "tribe".

First thing to know is this isn't for people who are going to get offended. I'm serious. There will be lots of stuff on here that's probably going to hurt people's feelings so if you cannot handle that, please unfriend me or I'll have to start weeding people out.

We do not look down on niggers, kikes, wopps or greasers, here you are all equally worthless and the orders are to weed out all non hackers that do not pack the gear to serve on Tobey's beloved Facebook page. Yeah Yeah

Tobey is definitely not for the faint of heart or those "looking" for a reason to be offended.
