anyone who has a drinking problem or is a substance abuser. Also I am not going to date anyone that doesn't have good morals. I might not date anyone. I know I made a mistake dating Chris. I'm going to use my brain and not get myself in a mess. I am a smart person, I just have been too trusting of people. I have learned to use my brain and not be too trusting. Date: 2017-05-09 12:06:52

I'm so proud of you!

Date: 2017-05-09 12:22:46

I'm trying to figure out , the best plan for me to help you with moving. I think Jd is going to let me be off on Thursday. Do you think if Jd lets me be off on Thursday, that I should drive to Knoxville, help you pack . Then drive back on Friday, so we won't have both cars there on Sat. Then Sat. I could ride back to Knoxville with Glenda and Paul. That way I would be able to drive your car back.

Date: 2017-05-09 12:27:10

I don't think Glenda and Paul are coming to Knoxville. I think just Billy and Alan are. Would you want to come down Thursday and help me clean my apartment?

Date: 2017-05-09 12:31:21

I will come help you clean. Do I need to ride down with Billy and Alan, so I can drive your car back?

Date: 2017-05-09 12:36:21

You can probably ride down with Alan and Billy on Saturday and then ride back with me. They are leaving at 7am.

Date: 2017-05-09 12:37:46

I'll do that.

I know I mentioned this earlier, but I don't think you should move in with Tina's mother in law. It would be real hard sometimes to study or get your homework done, because she would need you to help her. It is only natural for grown children to not want to live with their parent, but if you need us to live together we can. Love you!

Date: 2017-12-05 20:55:09

Sometimes you might not be able to get much sleep if you were living with her.

Date: 2017-12-06 21:30:40

Had the best time at the waltz lesson!

!

Date: 2017-12-06 21:48:50

Awesome! I ask Kay today if she has any houses for rent, she said that she might have one soon, someone has not been paying their rent. I told her that we might move in together and that you have to small dogs. I told her that if we had a house, I would get a fence for the dogs. I was sleepy and forgot to mention the cat. She said that the house that might become available has a big yard. Naturally we would let our animals go outside and inside. Love u! She said it is 2 bedrooms with a screened in porch.

Date: 2017-12-06 21:50:00

Okay who is Kay?? Right now Milo is at Sean's living outside.

Date: 2017-12-06 21:53:01

I might be working one or two day shifts. This coming week, I work Monday 1st and the rest of the week 3rd. We could introduce them to Blackie and see how she responds. Love you! I'm still planning on coming to see you Sunday evening.

Date: 2018-04-27 17:41:47

Maybe we had better, just let them stay there, in case Blackie gets aggressive.

Date: 2018-04-27 17:54:13

Is there a room in your apt where they can stay and other dogs can't get to them?

Date: 2018-04-28 11:14:44

I think we had better just leave them at Sean's, because I have decided not to let my puppy go with Charles. I love her too much to let her go. He loves her too, but not as much as I do.

Date: 2018-04-30 18:33:41

I'm not feeling good, I'm not sick just feeling bad from working a lot of nights in a row and working 3rd shift. Would it be ok if I wait and come tomorrow evening or Tuesday one. I work 1st tomorrow and 3rd Tues. Love you! I look forward to seeing you!

Do you know what brand your stove was in your apartment? That was the only thing she wanted in the inspection was for me to buy the drip bowls that go under the stove eyes, because a couple had a few burnt places. I'm at Walmart to get them and need to know the brand of the stove.

Date: 2018-05-12 14:20:45

Another woman was working with The girl who did the inspection when I turned in the drip trays. She said I got the right ones. She said you will get an email about your inspection and a deposit check from their head office. Sounds like it will take a few days.

Sorry I started crying over the phone. I have been feeling sad because of Charles, stressed because Clinton needs a lot of money and yesterday I was feeling overwhelmed because I have a lot of work that needs done. I am also missing my little dog. I don't know

w if I can keep her because she has behavioral problems and Blackie gets aggressive with other dogs sometimes. Chatles loves her too and she minds him a lot better than me. Even though she has behavioral problems she is very sweet and loves me a lot. I started feeling better yesterday evening. I'm up early so I can get a lot done. I think we control a lot of our own happiness by positive thinking..I'm normally a positive person and I'm back to being positive again. I have a lot of things that I'm Thankful for! Mainly you and Clinton. Also my health, the rest of my family and our land.

The good news is Clint is applying for jobs. He realizes that he needs to get a job and do his web business on the side until his web business takes off good. The bad news is, he has no money to pay his rent. Is there any way you can loan the money to him? He can pay you back when he gets his tax refund. If something happened that he couldn't pay you, I could pay you some each month until I got it paid. If you don't have it, I am going to have to borrow it from one of my credit cards which had me totally stressed out. I was going to borrow it yesterday but I k

new I couldn't do it without crying in front of people..Please don't let this make you feel stressed.If you loan it to him you will get your money back.If I borrow it from my credit card, I am going to have to pay a lot of interest.If you do loan it to him.His bank is 5thv3rd bank.His account is under Leonard C Williams Yorkridge Drive Charlotte. They have a lot of Leonard Williams accounts , so it is important to tell them Yorkridge Drive.I love you and hate to ask.

Date: 2018-11-07 04:44:03

His rent is \$ 910.00

Date: 2018-11-07 04:46:50

To make sure I can go to the movie it would be best to get the tickets for 6.I probably won't be able to stay long at the party., because of being at work on Sunday at 6am

Date: 2018-11-07 18:58:20

Clint is ok, He couldn't go to sleep last night.He slept today.I think what Tina said is a good ideal. I don't have \$450, but I can borrow it or either let Clint's rent be a little later until I Earn the money.Im getting ready to call him.I will call you after I talk to him.

Date: 2018-11-07 18:58:38

Love you!

Clint is doing good he is getting his medicine adjusted .Jenny got worried about him last night and had him committed.He is not out of his mind.He is doing good.They have him on the floor where people are when they are going to get to go home soon.Clint thinks he will probably get to go home tomorrow.I started to go check on him last night, but I thought he was fine because he sent me a message saying his day was good.He said that where he is , is a nice place.He said it is like a mini vacation.The only bad thing is they won't let them have their phones .They let them call from some phones they have for them at certain times. Im glad he is getting his medicine adjusted.He talks like he is going to come stay with me for awhile .That will be good.If you can see if you can find the hospital and see when the visiting hours are and the address.I was waiting until I got home from work to tell you.because I know Clint don't want people in Banner Elk to know anything about him.Im having to work late is why I'm texting you this message.Love you!

I think about you every day too.The reason I was crying because I couldn't go to your party is because I love you and wanted to be there with you, not because I was afraid you were going to be mad at me.The main reason. I'm getting another job is so I can spend more time with you and Clint .

Date: 2019-07-15 20:27:47

That's great that Glenda helped you. I'm fine, going back to work tmrw. How are you? Love you too.

Date: 2019-07-17 22:03:59

What job is this for? If you just submitted the application, you may want to wait until you are offered the job before you turn in a notice. It may take them a little while to process the paperwork.

Date: 2019-07-17 22:26:25

I already have the job. They are going to officially hire me on the 30th. I hadn't did an application until today. I have been so busy this evening, I didn't g

et my notice turned in.I will probably wait and turn it in tomorrow.Josh the manager wants me to turn it in today. Im doing good.Love you!

Date: 2019-07-20 18:41:52

Just letting you know , that I'm thinking of you and love you very much! How are things going for you? I haven't gave my notice yet.Im planning on calling Tonight at 7. Date: 2019-07-24 07:15:02

Thanks for message! It is very helpful ..This morning s lady from Food Lion shopped here.She said that Josh is going to be back to work next Tues.I think talking to s counselor while I'm off , is a good ideal..Im not for sure if I want to work at Food Lion or Scotchman with a manger coming here..I was real happy that Ron offered me the job yesterday.With Her here , I could have days off and have money.What is good about Food Lion is I would have a lot more Free time .I want to spend a lot of time with you , Clint , Glenda, Alyssa and Clint.Plus I want to be able to go to church.I also want to see Ruth , Lindsey and Ollie.I think talking to a counselor would help know what is best for me to do..One thing I worry about is the stress it will cause Clint , if I stop sending him money all the sudden.The place you sent the m

essage from sounds like a good place. Do you know where it is?

Date: 2019-07-24 07:16:08

It is in Johnson city

Date: 2019-07-24 07:16:18

I love you and am praying for you. Have to walk into work

Date: 2019-07-24 07:17:44

I also want to get my hair cut while I'm off and a makeover. If you want we can get a free makeover at Merle Norman. You don't need one, but it will be fun. Love you. I will call and make an appointment with a counselor.

Date: 2019-07-24 22:14:31

I will go with you on Thursday if it is ok

Date: 2019-07-25 14:24:18

Are you off today and tmrw?

Date: 2019-07-25 15:58:43

Maybe the blonde is also damaging y  
our hair. Have you thought about goi  
ng darker?

Date: 2019-07-25 16:06:27

I like to have bangs to cover my foreh

ns tell me is that it would be hard to g  
et m hair darker .

Are you off work right now? Just woke up

Date: 2019-07-26 20:53:37

What I was going to say, when we were turning around above the trailer, is what makes me tempted to take the Scotchman managers job is the lady from 7 11 coming to work there and the Pepsi guy. With them being there. I can see you, and the rest of the family, go to church and have money..I am going to pray more, I'm hoping I can know what the Lord wants me to do. I love you very much!! I will let you know what I decide.

Date: 2019-07-26 21:02:13

On the other hand, it is also a good time for me to get out of there, while there is help.

Date: 2019-07-26 21:06:46

It seems like the good times at the Scotchman store are always temporary. Keep praying. Love you.

What is making me sound more stressed is Charles was going to cook a dinner for Rhonda. Rhonda told him that she wanted me to be there to. I was already really stressed because the rough time I was having at work. I got really angry at Charles. I was very hurt and jealous. I was really hateful to Charles. He told me that he was only trying to encourage and cheer Rhonda up. He said that he was going to include me. I could tell that he was telling the truth. Me and him are not dating, so I shouldn't have got so jealous and mad. Love you!
